The next chapter in the long-running science fiction adventure series, The Kurtherian Endgame, is now available! Finish What You Started continues the epic saga of humanity's struggle against the Kurtherian Empire, and introduces new characters, new worlds, and new challenges.

The Kurtherian Empire is a vast and powerful interstellar empire that has conquered countless worlds. Humanity is one of the few civilizations that

has managed to resist the Kurtherians, but at a great cost. The war between humanity and the Kurtherians has been raging for centuries, and it shows no signs of ending.

In *Finish What You Started*, humanity is on the brink of defeat. The Kurtherians have launched a massive offensive, and they are slowly but surely overwhelming humanity's defenses. Humanity's only hope lies in a small group of rebels who are determined to fight for freedom, no matter the cost.

Finish What You Started is a thrilling and action-packed space opera that will keep you on the edge of your seat from beginning to end. It is a story of courage, hope, and the indomitable spirit of humanity.

About the Author

Michael Anderle is the author of the long-running science fiction adventure series, *The Kurtherian Endgame*. He has been writing science fiction for over 20 years, and his work has been praised for its fast-paced action, complex characters, and thought-provoking themes.

Anderle is a lifelong fan of science fiction, and he is inspired by the works of classic authors such as Isaac Asimov, Arthur C. Clarke, and Robert Heinlein. He is also a student of history and military strategy, and he incorporates his knowledge of these subjects into his writing.

Anderle is a graduate of the United States Military Academy at West Point, and he served as an officer in the United States Army. He is currently a civilian contractor, and he lives in the Washington, D.C. area with his wife and two children.

Reviews

"Finish What You Started is a thrilling and action-packed space opera that will keep you on the edge of your seat from beginning to end. It is a story of courage, hope, and the indomitable spirit of humanity." - Publishers Weekly

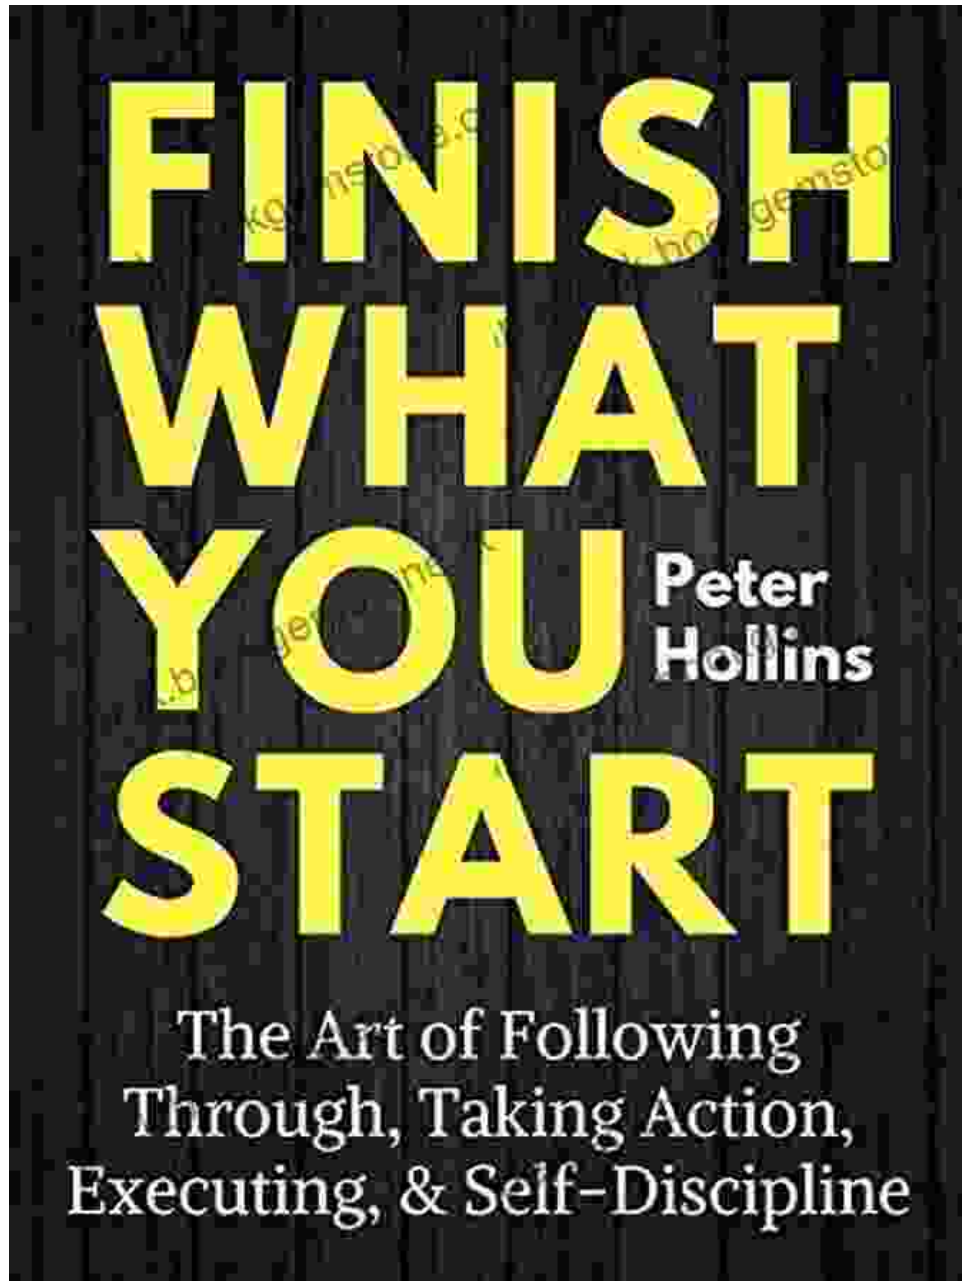

"Michael Anderle has written another masterpiece. Finish What You Started is a must-read for fans of science fiction, space opera, and adventure." - Booklist

"Finish What You Started is a gripping and emotional story that will stay with you long after you finish reading it. Michael Anderle is a master storyteller, and I highly recommend this book." - Amazon reviewer
