What You'll Learn

In this course, you'll learn:

- The basics of Vietnamese grammar, including nouns, verbs, adjectives, and adverbs
- How to pronounce Vietnamese words correctly
- Essential Vietnamese vocabulary for everyday conversation
- How to put words together to form sentences
- How to ask and answer questions in Vietnamese
- How to talk about your family, friends, and work
- How to order food in a restaurant
- How to ask for directions
- And much more!

How It Works

This course is designed to be self-paced, so you can learn at your own speed. Each lesson is about 10 minutes long, and you can watch as many or as few lessons as you want each day.

The lessons are divided into three parts:

1. **Video instruction:** In this section, you'll watch a video of a native Vietnamese speaker teaching the lesson. The speaker will explain the grammar, pronunciation, and vocabulary in a clear and easy-to-understand way.

2. **Practice exercises:** In this section, you'll have a chance to practice what you've learned in the video. The exercises are designed to be challenging but not frustrating, and they'll help you to reinforce what you've learned.
3. **Downloadable audio files:** In this section, you'll find downloadable audio files of the lesson. You can listen to these files on your computer, phone, or MP3 player. This is a great way to review what you've learned and to improve your listening comprehension.

You can access the course online or through the Learning Vietnamese app. The app is available for iOS and Android devices, and it allows you to learn Vietnamese on the go.

Who This Course Is For

This course is perfect for beginners who want to learn to speak Vietnamese quickly and easily. It's also a great resource for intermediate learners who want to improve their skills.

If you're serious about learning Vietnamese, this course is the perfect place to start.
