What's Inside?

Lonely Planet France Best Trips Travel Guide is divided into three main sections:

- **Destinations:** This section provides detailed information on the best places to visit in France, including Paris, the French Riviera, the Loire

Valley, and the Alps. Each destination is covered in depth, with information on the best things to see and do, as well as practical tips on getting there, where to stay, and where to eat.

- **Itineraries:** This section offers a variety of itineraries tailored to different interests and budgets. There are itineraries for short weekend getaways, as well as longer itineraries for extended stays. Each itinerary includes detailed information on the best places to visit, eat, and stay, as well as practical tips on transportation and budget.
- **Planning:** This section provides practical tips on planning your trip to France, including information on transportation, accommodation, food, and culture. There is also information on how to get a visa, how to get around France, and how to stay safe.

What We Liked

We liked a lot of things about Lonely Planet France Best Trips Travel Guide, including:

- **The variety of itineraries:** Lonely Planet France Best Trips Travel Guide offers a variety of itineraries tailored to different interests and budgets. This makes it easy to plan a trip that is perfect for you.
- **The detailed information:** Lonely Planet France Best Trips Travel Guide provides detailed information on the best places to visit, eat, and stay in France. This information is well-researched and up-to-date.
- **The practical tips:** Lonely Planet France Best Trips Travel Guide provides practical tips on planning your trip to France, including information on transportation, accommodation, food, and culture. This information is helpful and easy to follow.

What We Didn't Like

We didn't like a few things about Lonely Planet France Best Trips Travel Guide, including:

- **The size:** Lonely Planet France Best Trips Travel Guide is a large and heavy book. This can make it difficult to carry around while you're traveling.
- **The price:** Lonely Planet France Best Trips Travel Guide is a relatively expensive book. This may not be a good option for budget travelers.

Overall Impression

Overall, we really liked Lonely Planet France Best Trips Travel Guide. It is a comprehensive and well-researched guidebook that provides detailed information on the best places to visit, eat, and stay in France. We would highly recommend this guidebook to anyone planning a trip to France.
