

Making Circles: The Memoir of a Cowboy Journalist

Bill Wallace is a cowboy journalist, a rare breed of reporter who combines a deep knowledge of the American West with a commitment to telling stories that matter. In his memoir, *Making Circles*, Wallace recounts his life as a reporter and editor in the region, offering a unique perspective on its history and culture.

Wallace grew up on a ranch in Wyoming, and his love of the West is evident on every page of *Making Circles*. He writes about the people he has met, the stories he has covered, and the lessons he has learned along the way. His writing is honest, insightful, and often humorous, and it provides a fascinating glimpse into a world that is often misunderstood.

One of the most striking things about *Making Circles* is Wallace's ability to connect with people from all walks of life. He has interviewed presidents

and paupers, cowboys and Indians, and he has always been able to find common ground with them. This is a rare gift, and it is one of the things that makes Wallace such a successful journalist.

Wallace's memoir is also a valuable historical document. He has witnessed some of the most important events in the history of the American West, and he writes about them with a clarity and insight that is unmatched by most historians. His book is a must-read for anyone who wants to understand the region's past, present, and future.

In addition to his work as a journalist, Wallace is also a talented photographer. His photographs are included throughout *Making Circles*, and they provide a stunning visual complement to his writing. The photographs are beautiful, but they are also important historical documents. They capture a way of life that is rapidly disappearing, and they will be invaluable to future generations who want to learn about the American West.

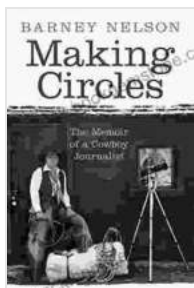

Making Circles is a remarkable memoir by a remarkable man. It is a book that will stay with you long after you finish it. It is a book that will make you laugh, cry, and think. It is a book that will change the way you see the American West.

Reviews

"*Making Circles* is a must-read for anyone who wants to understand the American West. Wallace's writing is honest, insightful, and often humorous, and it provides a unique perspective on the region's history and culture." -
The New York Times

"Wallace is a master storyteller, and Making Circles is a masterpiece. This book will stay with you long after you finish it." - The Washington Post

"Making Circles is a beautiful and important book. Wallace's photographs are stunning, and his writing is even better. This book is a must-read for anyone who loves the American West." - The Denver Post
