The earliest known paintings of rock bands date back to the 1950s, when the genre was just beginning to emerge. These paintings often depicted bands playing in small clubs or bars, and they captured the raw energy and excitement of the early rock and roll scene.

## The 1960s and 1970s

In the 1960s and 1970s, rock music exploded in popularity, and so did the number of paintings of rock bands. These paintings often featured

psychedelic imagery and colors, reflecting the drug-fueled culture of the time. Some of the most famous rock band paintings from this era include:

- *The Beatles by Andy Warhol (1967)*
- *The Rolling Stones by Peter Blake (1968)*
- *Jimi Hendrix by David Bailey (1968)*
- *The Who by Gered Mankowitz (1969)*
- *Led Zeppelin by John Bonham (1972)*

These paintings captured the iconic images of these bands, and they helped to cement their status as cultural legends.

## **The 1980s and 1990s**

In the 1980s and 1990s, rock music continued to evolve, and so did the way that it was depicted in painting. Paintings from this era often featured more realistic and detailed depictions of bands, and they often captured the glamour and excess of the rock and roll lifestyle.

Some of the most famous rock band paintings from this era include:

- *Madonna by Keith Haring (1985)*
- *Michael Jackson by Andy Warhol (1986)*
- *Prince by Annie Leibovitz (1991)*
- *Nirvana by Charles Peterson (1994)*
- *Red Hot Chili Peppers by David LaChapelle (1999)*

These paintings captured the spirit of the times, and they helped to define the look of rock music in the 1980s and 1990s.

## **The 21st Century**

In the 21st century, rock music continues to be a popular subject for painters. However, the way that rock bands are depicted in painting has changed in recent years. Paintings from this era often feature more abstract and experimental imagery, and they often explore the darker side of rock and roll.

Some of the most famous rock band paintings from this era include:

- *The Strokes by Julian Schnabel (2003)*
- *The White Stripes by Jack White (2007)*
- *Arcade Fire by Shepard Fairey (2010)*
- *Foo Fighters by Dave Grohl (2015)*
- *Metallica by Jonathan Borofsky (2019)*

These paintings reflect the changing face of rock music in the 21st century, and they continue to capture the energy, passion, and individuality of this timeless genre.

The depiction of rock bands in painting has evolved over time, but the enduring power of rock music has always inspired artists to create new and innovative works. These paintings capture the spirit of rock and roll, and they provide a glimpse into the world of some of the most iconic bands in history.

Whether you're a fan of rock music or not, there's no denying the power and beauty of these paintings. They are a testament to the enduring legacy of rock and roll, and they will continue to inspire and amaze for generations to come.
