

The Mighty Orinoco: Early Classics of Science Fiction

The Mighty Orinoco features a cast of well-developed and memorable characters. The main characters are:

- **Professor Max Huber:** A brilliant scientist who leads the expedition to Orinoco. Huber is a visionary who believes that there is intelligent life on other planets.
- **Dr. John Carter:** A physician and surgeon who is also a member of the expedition. Carter is a practical man who is always ready to help others.
- **Lieutenant James Gordon:** A military officer who is responsible for the security of the expedition. Gordon is a brave and loyal soldier who is always willing to risk his life for his comrades.
- **Mr. John Smith:** A businessman who is also a member of the expedition. Smith is a shrewd and resourceful man who is always looking for new opportunities.
- **Miss Mary Jones:** A young woman who is also a member of the expedition. Jones is a bright and curious woman who is eager to explore the unknown.

The Mighty Orinoco is set on the planet Orinoco, a strange and beautiful world that is home to a race of intelligent aliens called the Orinocs. Orinoco is a planet of contrasts, with towering mountains, lush forests, and vast

oceans. The planet is also home to a number of predators, including giant insects, carnivorous plants, and deadly viruses.

The Mighty Orinoco is a novel that explores a number of important themes, including:
